After many years of struggle, Northeast is finally realizing that anything worth having is worth working for. And it certainly has been a struggle—we have known times of happiness and times of sorrow; times of success and times of defeat; times of progress and times of regress; times of hope and times of despair. There have been many hours in which the Northeast student wondered—"Will my school ever make it?" The answer has always come through loud and clear—"Rain or shine we will succeed."

We see that our efforts were well placed for although the school began in the cow pastures as portable buildings, it is now one of the most modern campuses in the South.

Often on the wrong path, we have spent much time correcting ourselves. Finally this year we have done it! We are a complete senior high school. With every reason to be proud, the name of our school is uttered by the student more and more, and slowly we are gaining recognition. It has been hard but it has been worth it.

Even the new students must sense the feeling of anticipation. They, too, must be caught up in the pride and success that Northeast is displaying. But we are yet to be complete—June of 1965 will make us so. As the first class leaves forever these beloved halls, it leaves behind footprints on the road to true success.

As the first graduating class in this new complete Northeast, we are finally approaching the realization of many dreams . . .

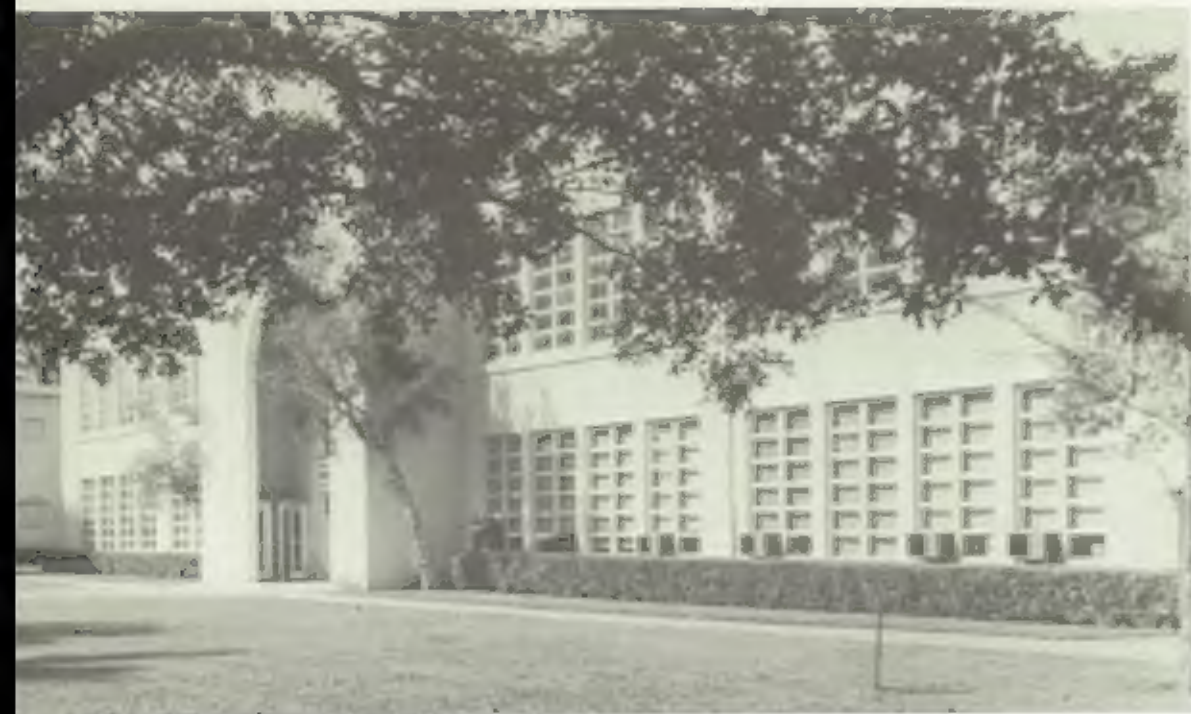

DREAMS OF ACHIEVEMENT...

WE DEDICATE

One individual usually becomes a "Keystone" to an organization. That is to say, all though an arch could not function properly without all its pieces, the "Keystone" unites all parts into a functioning whole and is responsible for the major share of stress and strain

Because we are so often circling in the whirlpool of our current affairs and future dreams, we sometimes fail to pause and recognize that a person can be a "Keystone" in the main stream of our scholastic life

For that reason, we the staff of the HURRICANE, along with the first graduating class, would like to dedicate our annual to a person who deserves such recognition as a man of admiration and respect, our principal

The "Dirty Thirty", with determination filling the spaces between talent, smashed their way through to their first successful season. With a season record of five wins and five losses the "Hurricanes" surprised many of the county's top teams. McArthur and Pompano were made believers despite their victories, being held to three and nine points respectively. Mighty Stranahan was able to score 20 points but had to fight for its victory

Every football team has stars, or players who consistently stand out in the games. Elected to the Ft. Lauderdale News All-County team as defensive back, was Bob Neilson with 80 and 84 yard punt returns to his credit. Another All-County selection was a beefy lineman, Mike Brinker, whose ability to break up an offensive play was almost phenomenal. Fullbacks Wayne Perillard and Gary Spohn provided most of the yardage and scoring for the offense.

Large numbers of school individual statistic records were set this year. Spohn led in rushing with 441 yards on 74 carries for a 6.0 average. Howard Foster led in passing with 401 yards and three touchdowns. Perillard led in scoring with six touchdowns.

Perhaps the strongest reason for the good showing this season was the coaching of Mr. John Lanier and his assistants, Mr. Ken Davis and Mr. Donald Conkel who provided all the help coach Lanier needed

BABY 'CANES IMPROVED BY SEASON'S FINISH

Surprising both their coaches and the student body the Northeast J. V. upset heavily favored South Broward J. V. 6-0. This victory made it two in a row, and ended a season which saw the team improve from each preceding game. Although the final record ended at two wins and four losses, the team never reached their peak or lost their desire to win.

Quarterback Vito Petrone and halfback Dan McGurdy led the attack through the first five games of the season, missing the last game only because they were called up to the Varsity. A backfield is only as good as the line that protects it; linemen Larry Sapp, Mike Rogers, and Dick Lynch proved to be two-way assets, playing on both the offensive and defensive squads. With talent like this, the coaches are confident that the future Varsity teams will provide both thrills and victories.

Mr. Charles Bonar and Mr. David Fee combined talents to give the boys both the training and confidence that every football player needs to play his best.

RED HOT 'CANES CLOSE SEASON WITH FIVE STRAIGHT

Coach Albert Mazza

The Hurricane cagers played their finest game of the year in what was a near upset over Ft. Lauderdale (62-61) in the state tourney playoffs. Despite their performance the sometimes hot, sometimes cold 'Canes finished the season with a 10-13 season record. The year was also highlighted by an upset over Miami Jackson and the 107-87 drubbing of Boca Raton.

Leroy Schwab, Northeast's 5-9 sparkplug, capped his basketball career at this school by finishing the season with a 15.5 scoring average. Coming on strong towards the end of the season junior, Wayne Perillard scored at a 12.6 clip. Junior, Harold Bennett (8.6), senior, Joe Smerker (4.4), and junior, Don Hassel (9.0) round out the rest of the regular starters. Senior, John McLane (5.2) played as the sixth man on the team. Playing before homecrowds which varied from 60 to 600, the team played a fast, running game. Playing with this type of high scoring offense finished the season with 65 points per game average. Next year's team will have plenty of height, but will lack the spark added by the seniors.

Mr. Albert Mazza, who has coached the basketball team ever since the eighth grade, guided the team through thick and thin this season.

JUNIOR VARSITY CHEERLEADERS ADD SPARK TO SPIRIT

With some new faces added to the Squad, and with three experienced girls, the J. V. Cheerleaders lent beauty as well as spirit to the athletic contests and pep assemblies. Beside their regular duties the girls also cheered at a varsity football game and filled in whenever a varsity cheerleader was unable to participate.

The girls chosen for the '64-'65 season were announced at the end of the '63-'64 school year at an all-school awards assembly. With Mrs. Karen Suave, their present instructor, and several other school officials acting as judges the girls were selected on the basis of voice, personality, school spirit, and coordination. Cheerleading is not all fun as the girls well know, for they give up their own time to practice after school. They should provide a fine nucleus for future squads.

VARSITY CHEERLEADERS..., SYMBOLS OF SCHOOL SPIRIT

Mrs. Karen Suave

If anyone were to ask you who most represented the school spirit and who showed the most love for their alma mater, you would naturally reply, "the cheerleaders". For most intents and purposes you would be right. These eight girls, in addition to leading cheers at varsity athletic contests and pep rallies, are symbols, in a way, of Northeast itself. The quality and attitude of any school's cheerleaders are representative to outsiders of the attitude of the entire student body. The students and faculty of the school certainly appreciate their cheerleaders.

Other methods of inspiring the school spirit, besides cheering, include, hanging posters and leading marches through the mall. Mrs. Karen Suave helped the girls develop their cheers, which can be called the best in the county.

Joe Smerker, in the mile, and Tim Moon, in the 100 and 220 dashes, should provide many firsts in their events. The field events should provide even more victories with Craig Jensen (discus), Mike Brinker (shot put), Jim Farrell (pole vault), and Bob Neilson (high jump), all returning to the squad.

One of the greatest honors in high school is to be chosen a member of the National Honor Society. In order to be eligible, one must maintain a 3.3 average and be outstanding in character, leadership, service, and citizenship.

Many people think Honor Society members are book worms. Our chapter dispels this theory because we have many members who earned sports awards or other club awards. The Honor Society also sponsors many social activities while trying to raise the academic level of Northeast. It sponsored Care Week and College Night to help students learn about college and choose one for themselves.

Every year the students look forward to the traditional candle light ceremony where the deserving students are honored by membership to the Honor Society which has been sponsored by Mr. Roger Spencer

With a successful start, the Junior Classical League began its first year of membership with a procession of toga and stolla clad Latin students, giggling down through the main hall!

However, the Club's main function is not to sponsor Roman spectacles, but to enrich and enlighten the students with the classical trends that so influence our modern life.

To become a member, one must have had at least two years of Latin, although it is not necessary to be presently enrolled in the course.

Mrs. Delaney sponsored the Latin Club.

"Pucker Up"

Saint Valentine's Day was celebrated in a manner which transported one to old, more romantic days, with boys wearing vegetable corsages.

These corsages, made and sold by the Girls Varsity Club, were donned by boyfriends and male members of the faculty. But this was not the only activity sponsored by the recently organized club. Besides, maintaining and helping the Boy's Varsity Club with the concession stand, the girls also honored outstanding girl athletes with awards of blazers and letters.

To become eligible, one must have obtained a letter in tennis, swimming, cheerleading, or as school mascot.

Active Juniorettes earn money for needy families during one of their car washes.

Membership in the Juniorettes is a privilege as well as being an opportunity for the individual girl to serve the school and community. The members are a cross-section of cheerleaders, club members, scholastic leaders, queens and other outstanding girls.

However, their purpose is not to maintain a social circle, but to work together on various projects, such as participating in the Annual Leukemia Drive, purchasing food and presents for a needy family on Christmas Eve, and working for Easter Seal Drive.

Their school projects included a car wash, sale of Halloween Trick or Treat bags, sale of Valentine lollipops, Club Week, Skit Night, and the annual Juniorette Olympics. Also the Club planted five hundred pine seedlings, which were donated by the Junior Women's Club.

Mrs. Harland Howells and Mrs. Woodron Hall donated their time as sponsors from the Women's Club. Mrs. John Osborne and Mrs. Gerald Sauve were the Club's teacher sponsors.

HURRICANE STAFF

WORK—is the motto of the Hurricane staff. The year usually gets off to a rather slow start, but as the first, second, third and final deadlines approach, it becomes quite easy to recognize staff members—blood shot eyes, tired expressions, mounds of layout sheets—brand them immediately.

To add life to their subscription campaign, the staff nominated three girls from over twenty interviewed to run for Miss Hurricane. Each person subscribing could vote. Bonnie Arnold was this year's queen.

Writing copy, arranging layouts, and identifying pictures are only part of the task; being a staff member requires willingness to work and much imagination. A good sense of humor and a smile help, too, for near those deadline days many harsh words can be heard in Room 20.

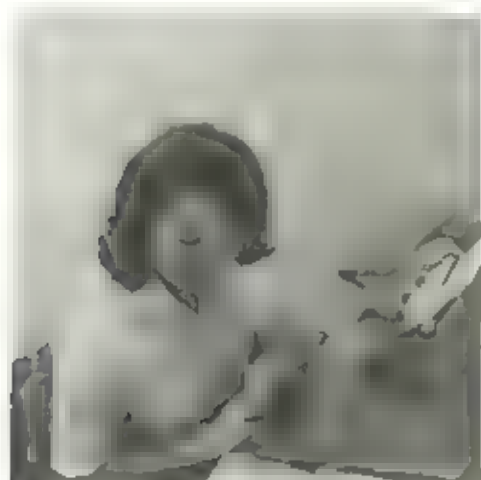

The Coordination of all parts of the book is left to the editor, Mary Ann Pekala, who soon seeks the adult guidance and final okay of the advisor, Coach Andy Andrews. To this man the staff owes a great deal of thanks for putting up with them and working so hard.

To the first graduating class, the Hurricane staff hopes that you feel this book belongs to YOU.

The Student Council is an institution at Northeast that has been organized since the school began five years ago. The purpose of the club is to provide the students with an opportunity for leadership and act as a liason between student body, faculty and administration

Among the Club's many projects include: Football Queen, Sock Hops, Miss Northeast, Christmas Dance, Identification Cards, conducted assemblies for various affairs and contributed large financial aid for landscaping around the school, especially the patio. Also the Student Council presented an oil portrait of Mr. Huff to the school

Mrs. Florence Spencer sponsored the club in its many activities that benefited the school and student body

The Student council works diligently to prepare for "Winter Wonderland."

PEP CLUB

"Yea Dirty Thirty" is the responding cheer of the Pep Club section during the football season.

Besides sponsoring the only flash card section in Florida, the Pep Club provides the students with buses for the away games as well as presiding over all pep rallies.

But the action does not terminate with the last football game—certainly the club only begins to take a foothold as the basketball season commences.

Most certainly the Pep Club is the largest club in the school, and plays a major part in promoting the outstanding school spirit represented at the games and other school events.

SPANISH CLUB

SITTING: Judy Garton, President Lynn Stevens, Vice President.
STANDING: Pat Quinn, Corresponding Sec. Richard Melio, Treas.
Loren Olson, Sec.

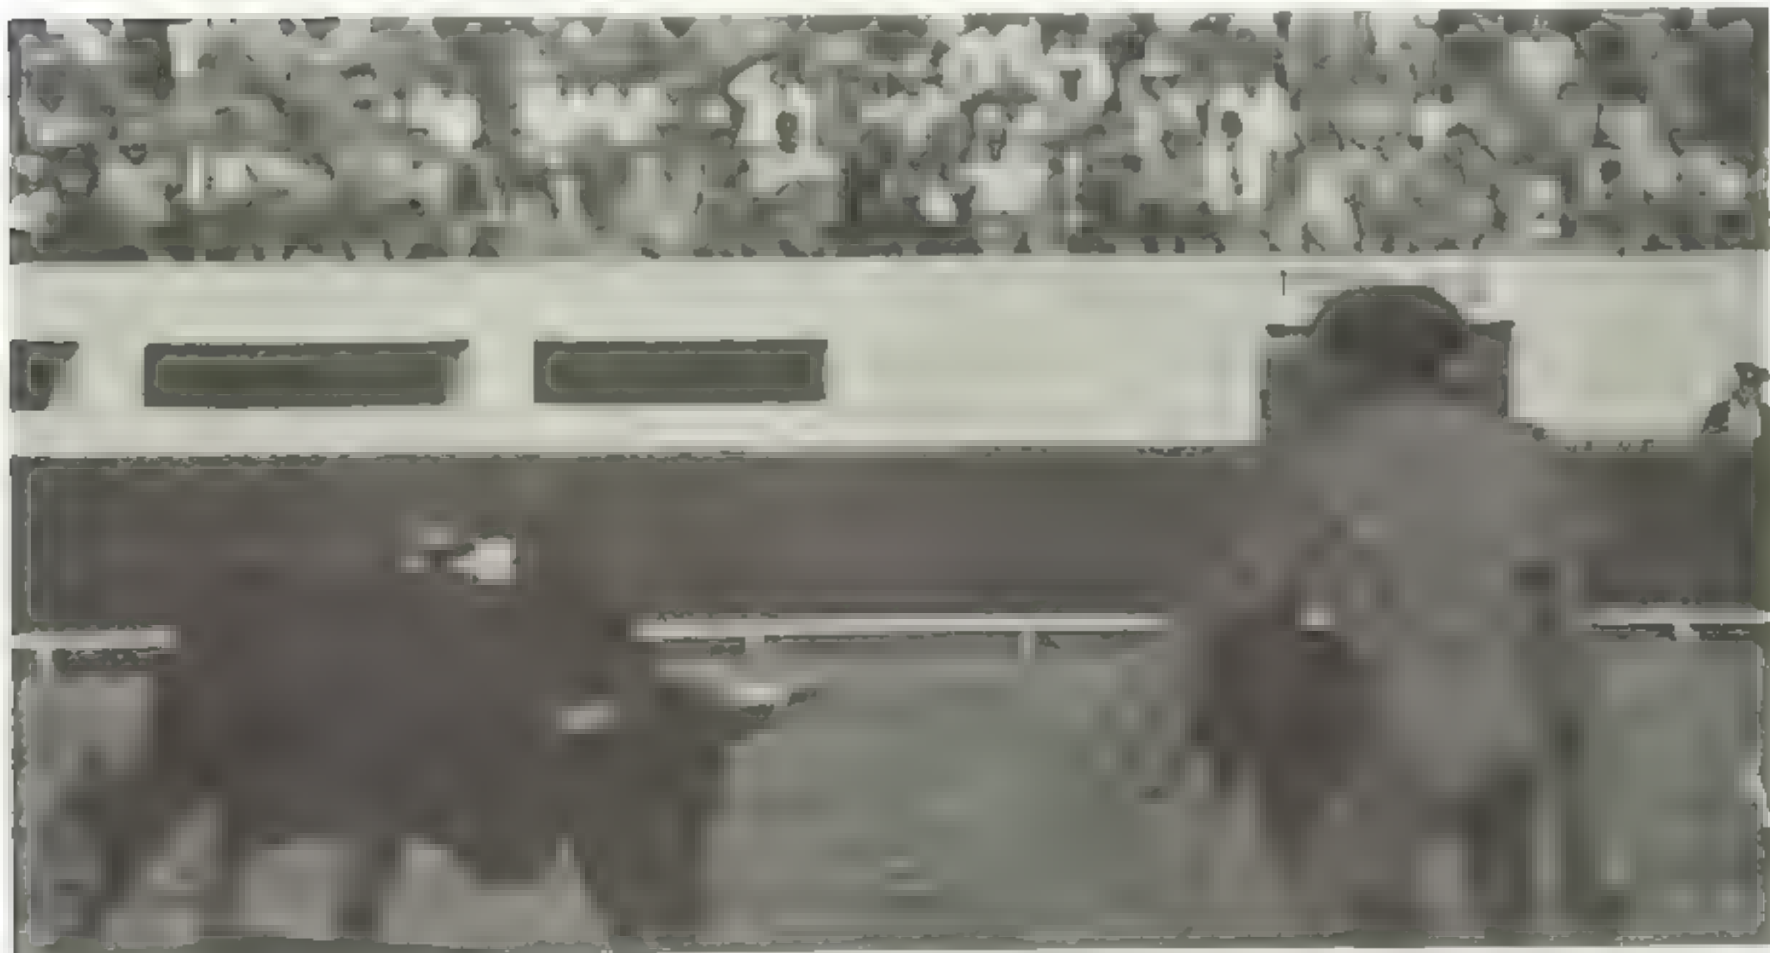

The Spanish Club beckons all students interested in the Spanish culture and the colorful romance of the Mediterranean country to join the Los Conquistadores

During the year, the club not only sponsored a dance after a football game, but also supported a Spanish speaking child through their money raising projects.

Gloria Londona from Columbia visited our school and was guided by the Spanish speaking students.

Mrs. Mary Morse sponsored the club

The bullfight is a typical event of which the Spanish Club members are familiarized.

NEWSPAPER

It has always been the privilege and duty of the "members of the fourth estate" to go behind the scenes and print that which is worthy of publication.

On a smaller scale, Northeast offers an opportunity for students to "learn the ropes" of this journalistic profession. Through this course, the students benefit from experience in layout, news writing, leadership, administration and business management.

Margo Skadding led the staff as editor of the "Hurricane Eye" monthly publication, with Miss Shirley Woods as sponsor.

CLUB

OFFICERS: Mary Asken, Sec.; Tony Pallone, V. Pres.; George Brosseau, Pres.; Kevin Robinson, treas.

The Audio Visual Club instructs the members to operate the various equipment and to utilize their knowledge in efficient classroom procedure

In this way the classes can see and hear as well as learn their lesson. As a result both students and teachers are benefited by this club's assistance. The club sponsor is Mrs. B. Vanarsdale

What would a football game be without the lively pace set by the band's accompaniment of cheers, yells, and songs? Or the halftime parade of more serious music and intricate marching? Even pep assemblies would seem dull without the spark of spirit radiated by the Hurricane Band which is directed by Mr. Dasher.

However, this group is not one dedicated to the purpose of merely entertaining at sporting events. For weeks and months hard concentrated work goes forth to present concerts and other serious music.

The band's difficulties do not end after the music is learned because money must be earned for uniforms. Extra time must be found to sell candy, wash cars, and perform feats of a Jack-of-all-trades.

The majorettes also lend their special talents to the program with their colors of red, black, and white. Each one must be a member of the band and be able to play an instrument fairly well.

FUTURE HOMEMAKERS OF AMERICA

The high standards of the F.H.A. symbolize the ideals of the American home. F.H.A. promotes appreciation of homemaking, encourages democracy, strives for international "good-will," fosters development of creative leadership, provides wholesome group recreation and interests girls in the field of home economics.

During the year, the Northeast Chapter of the Future Homemakers of America has sponsored Bake Sales as well as a "Checking Counter" at dances for money making projects. The club is also making Easter baskets for the Children's Home. On an honorary basis, Luana Day and Rebecca Beckett represented Broward County in the Youth and Nutrition Conference held at Winterhaven, Florida.

Mrs. Roberts sponsored the club.

FUTURE TEACHERS OF AMERICA

The Future Teachers Chapter of Northeast provided an opportunity for all students interested in a teaching profession to share their interests with others.

A Literary Magazine, with contributions from a cross-section of students, was edited and produced by the club. Cynthia Walker was editor and Lyn Stanbrook was assistant editor.

Club achievements included a candy booth at the Band Carnival and an initiation for Rickards Junior High School's F.T.A Chapter.

John Slagter was elected president of the club, with Cynthia Walker as Secretary, and Linda Wiggers as Treasurer. Mrs. Juanita Stephens sponsored the club.

FIRST ROW: J. Van Meter, C. Walker, C. Pauley. SECOND ROW: L. Wiggers, B. Le Gost, R. Perlingera, K. Kearns. THIRD ROW: E. Rafferty, M. Reed, L. Stanbrook, J. Slagter, J. Bloom.

Shack 88 is not the name of a hideaway left to nature in a deserted ocean side dwelling, where the sounds of whipped up waves and the shrill pitch of water birds dominate the activity. Instead, when members of the "Shack" can be found together, high frequency waves and electrical impulse signals beam from the radio equipment. Mr. Delpit sponsors the Club, which functions for those interested in amateur radio broadcasting. This year they sponsored a training program to aid members in obtaining FCC Licenses.

The past is somewhat forgotten all ready Oh! There will be memories, there are always memories As there are always todays and tomorrows yet to come. . . .

TO THE SENIORS OF 1965

As the first graduating class, you leave an indelible mark on Northeast. You helped to build this school into what it is, and set many precedents. You are now about to realize many dreams as you finish your Senior Year. It has been a long road but your immediate goal is near. We, the Hurricane Staff, wish you the best of luck as you set out into the world. We sincerely hope you will achieve as much success as individuals as you have as a class. We know the spirit of Northeast and the knowledge you have gained here will guide you through life.
